

Knitted Throw

Intermediate

This throw can be knitted in squares on **double-pointed** needles or triangles on a pair of needles

Measurements

Width	cm	132
Length	cm	165

Materials

Panda Magnum 8 ply 100g balls

Quantity 15

One **pair** of 4.00mm knitting needles (if making triangles) or two **sets** of 4.00mm **double-pointed** knitting needles (5 needles required) and a 4.00mm **circular** knitting needle (if making squares) or the required size to give correct tension; wool needle for sewing seams.

Tension

Each triangle should measure 33cm at cast off edge.
Each square should measure 33cm across.

Abbreviations

beg=beginning; **cm**=centimetres; **fol**=follow/ing; **incl**=include/including; **K**=knit; **P**=purl; **psso**=pass slipped st over; **rep**=repeat; **st/s**=stitch/es; **sl**=slip; **tog**=together; **yfwd**=yarn forward - bring yarn under needle, then over into knitting position again, making a stitch; **yon**=yarn over needle - take yarn over top of needle into knitting position, making a stitch.

Special Abbreviation

'Eye'=make an eyelet hole as follows:

At beg of knit row, holding right-hand needle next to first st, take yarn under needle, then over needle to knitting position, making a st.

At beg of purl row, holding right-hand needle next to first st, take yarn over needle, then under needle to purling position, making a st. When working next row, work into back of loop.

Throw

Make 20 squares or 80 triangles

SQUARE (make 20) (instructions in graph only)

Using 4.00mm **double-pointed** needles, cast on 4 sts.

1st Round: * (K1, P1) into first st on first needle, rep from * on 3 more needles ... 8 sts.

2nd Round: (K1, P1) into each st ... 16 sts (4 sts on each needle).

Note – When number of sts become too many for working on set of needles, change to a 4.00mm circular needle. This version is not suitable to work from the written instructions.

Beg Graphs –

Work rounds 1 to 43 incl from graph, working across graph once for each needle, working K1 at end of every needle ... 188 sts.

Rep rounds 28 to 43 incl once, working as before ... 252 sts.

Cast off.

To Make Up

Join squares to make a throw 4 squares by 5 squares.

TRIANGLE (make 80)

Using a **pair** of 4.00mm needles, cast on one st.

1st Row (wrong side): (K1, P1, K1) all into st ... 3 sts.

Work rows 1 to 43 incl from graph or written instructions ... 46 sts.

Rep rows 28 to 43 incl once ... 62 sts.

Cast off knitways.

To Make Up

Join 4 triangles to make a square (with leaves at centre). Make 20 squares in this manner. Join squares to make a throw 4 squares by 5 squares.

Note 1: When working from Graph and using a pair of needles (making triangles), read right side rows from right to left and wrong side rows from left to right.

Note 2: If working on double pointed needles (making squares), all rounds are worked from right side. Work across graph 4 times, **knitting one st between each section.**

Note 3: Rows 1 to 27 - For each row, beg at appropriate edge of main graph and work to beg of leaf, work across appropriate row on leaf graph, then work rem from main graph.
